Presents

**"Creating Assistive
Technology Solutions in
Minutes: Supporting chil-
dren who are Deaf/Hard
of Hearing, Blind/Visually
Impaired and /or have
Multiple Disabilities."**

By: Therese Willkomm

September 15 & 16, 2016
Expressway Suites
4303 17th Ave. S
Fargo, ND 58103

Therese Willkomm is the director of ATinHK, the New Hampshire state wide assistive technology program with the Institute of Disability and is an associate clinical professor in the department of occupational therapy at the University of New Hampshire. She holds a PH.D. in rehabilitation technology from the University of Pittsburgh and has over 25 years experience in providing/managing assistive technology services. She is known nationally and internationally as **"The McGyver"** of creating assistive technology on the fly and an expert on Awesome Apps and Adaptions to support individuals with disabilities. Dr. Willkomm has presented in 46 states, seven foreign countries, and three U.S. Territories and authored 22 publications including her most recent book titled, "Assistive Technology Solutions in Minutes Book 2-Ordinary Items, Extraordinary Solutions."
